A Taste of Hope

Dayspring Center is proud to invite you to join us at our inaugural A Taste of Hope Event set in Downtown Carmel's premier Arts and Design District on **February 18, 2012** from **5:30 – 7:30pm**. Sample a variety of wines, while enjoying light hors d'oeuvres provided by Tulip Noir and admiring a collection of works of art displayed at the **Evan Lurie Art Gallery**. Attendees are encouraged to accent their semi-formal attire in yellow symbolizing the hope that Dayspring Center provides for the homeless families with children in Central Indiana.

Tickets are \$80 per person or \$150 per couple. Advanced purchase is required. This event is limited to 75 attendees, so it will sell out quickly. For all attendees registered by January 20, 2012, we will be holding a special drawing where one lucky person will be provided a car service to and from the event that evening! **Register today online at www.dayspringindy.org or call Cheryl Herzog at Dayspring - 317-635-6780 x.211.**
